

INSTRUCTIONS: Should an extension of time be required for completion of term work, papers, assignments or instructor-scheduled tests beyond the end of the term, this form is to be completed as outlined below. Deferrals are granted at the discretion of the faculty offering the course and are normally granted for 30 days after the last day of the term. See calendar section G.7 for details. Here are the steps for obtaining a deferral of term work:

1. The student completes section one of this form, indicating reasons and, if needed, attaches supporting documentation. The student takes/emails the form to the instructor of the course, who will complete section two.

2. The Instructor completes section two and indicates the completion date. The completed form and supporting documentation is emailed by the instructor to the Associate Dean or designate (Director) of the Faculty offering the course for final approval (Teaching Faculty).

3. Teaching Faculty Associate Dean/Faculty Designate has the final approval for the deferral of term work request and completes section three. The Faculty may alter completion dates, in alignment with university regulations. The approved form is then emailed to examinfo@ucalgary.ca. The faculty retains the supporting documentation for a one year period.

****Note - for Graduate students**, final approval is granted by the teaching faculty offering the course - Faculty of Graduate Studies approval is not required.
