

There may be circumstances where a payment has been submitted but is not appearing in the **My Financials** section of your [Student Centre](#). If the processing time for your payment time has elapsed, please submit a Payment Trace Service Request (SRQ). Our Finance department will be able to review records and track down any payments that may have been applied in error. Information on methods of payment and processing time can be found on our website [here](#). Do not submit a Payment Trace request until the processing time for your payment type has elapsed.

Note: Service Requests work best with FireFox as a browser.
