# Counsellor Resource

2020-2021

Dear counsellor,

I would like to acknowledge the important role you have in helping students assess and evaluate their post-secondary options. To help make your role easier, this document contains information about how to connect with us, what's new at UCalgary, admission requirements and our important dates and deadlines.

The recruitment team and I look forward to working with you in the upcoming year.

Best regards,

**Steven Kelly**

a bold choice

# five reasons to choose UCalgary

## 1 Excellence in academics

Students can choose from a range of high-quality programs at one of the top 250 universities in the world. A community committed to excellence, we have 18 alumni who became Rhodes Scholars, and our Faculty of Kinesiology is the #1 sport science school in North America.

## 2 Research opportunities

We are a leading Canadian research university. With \$487.8 million in sponsored research funding in 2018-19, UCalgary provides students the opportunity to gain valuable research experience while helping overcome some of society's greatest challenges.

## 3 A supportive community

Students can access the support they need throughout their degree. With academic advising at the Student Success Centre, employment preparation through Career Services, and mental health and wellness professionals at Student Wellness Services, and much more, students will find the services and support they need to thrive at our university.

## 4 Earn while they learn

Students can take advantage of various employment options while at UCalgary. We offer exciting paid co-operative education and internship opportunities with companies such as BMW and Garmin.

## 5 Adventurous lifestyle

Students can explore world-famous landscapes like Banff and Lake Louise. With the Rocky Mountains only an hour away, this is the perfect city for anyone who loves adventure.

Students can enjoy the beautiful landscapes of the Rocky Mountains, which are just one hour from Calgary.

## what's new?

### University of Calgary breaks ground on Mathison Hall, new building for the Haskayne School of Business

Construction began in May 2020 for the Haskayne capital expansion project, which includes the new four-storey 10,000-square-metre Mathison Hall building and renovations to Scurfield Hall. These buildings will combine to become a new home for the Haskayne School of Business when construction is completed for September 2022. The LEED Platinum project will add a dozen new classrooms — ranging in size from 40 to 100 seats — to the business school as well as new spaces for study, group work, student advising, food services and events.

These facilities will greatly enhance business education in Calgary and help equip generations of students to apply their business education to bring innovative ideas to market and entrepreneurial thinking to the economic challenges we will face in 2022 — and beyond.

“The Haskayne Capital Expansion project is an investment in the future of business education in Calgary and will bring immeasurable benefits to our students, province and economy,” says UCalgary President Ed McCauley.

### Leadership and entrepreneurial thinking certificates introduced

The University of Calgary is introducing two new embedded certificates starting September 2021, one in entrepreneurial thinking and the other in leadership studies. These will support student learning and growth in two key areas for the university.

Embedded certificates can be integrated into the structure of many of our four-year degree programs. They are designed to focus on a thematic area and be available to students across faculties. Completion of the embedded certificate is noted on the student's graduation parchment.

### UPCOMING EVENTS

UCalgary will host many online events and virtual tours throughout the year for prospective students. For complete event details, visit: [ucalgary.ca/future-students/undergraduate/tours-events](https://ucalgary.ca/future-students/undergraduate/tours-events)

# exceptional facilities

## Taylor Family Digital Library

The Taylor Family Digital Library is one of North America's most technology- and information-rich facilities. It provides many excellent study and collaboration spaces for students.

## Residence

Living on campus is a great way for students to immerse themselves in all that the university has to offer. Students can easily access leadership, academic and wellness resources, and have many opportunities to get involved in activities in their community.

## MacEwan Student Centre

The lively MacEwan Student Centre is a hub for social activity and home to many services, including a medical centre and 20+ food outlets.

## The Olympic Oval

The Oval was built for the 1988 Winter Olympic Games. You can watch an international speed skating competition or take skating lessons on the world's fastest ice.

### APPLYING FOR STUDY PERMITS

Staff in International Student Services can legally answer questions from international students about the study permit application process. For more information, visit: [ucalgary.ca/iss/immigration/study-permits](http://ucalgary.ca/iss/immigration/study-permits)

### LIVING ON CAMPUS

Students are guaranteed a home on campus for the first two years of study if they apply for residence by May 1, 2021. Learn more at: [ucalgary.ca/residence](http://ucalgary.ca/residence)

★ *Light rail transit and buses connect the university to the rest of Calgary, so students can easily explore the city. The university transit station is just five short stops from downtown. Students get unlimited use of public transit with their student UPass.*

# areas of study

Part of the initial application process for our four-year undergraduate degree programs is to select a major, which is a student's main focus of study. They can further customize their degree by choosing a minor in an upper year, integrating a certificate into their degree,\* or taking a combined degree option and earning two degrees in five years.†

## FOOTNOTES

- Two courses in the same subject area may not be presented to satisfy entrance requirements unless the courses are equivalent to Mathematics 30-1, Mathematics 30-2 or Mathematics 31.
- Only one senior-level course of the same language may be used to satisfy admission requirements.
- A maximum of two Fine Arts courses may be used for admission to Dance, Drama, Music and Visual Studies. A maximum of one Fine Arts course may be used for admission to all other programs.

## Notes:

Locally developed courses may be considered for admission, but applicants are encouraged to contact [admissions@ucalgary.ca](mailto:admissions@ucalgary.ca) for specific course credit. Students can present an approved IB or AP course to meet a course requirement. Course equivalencies can be found at: [ucalgary.ca/future-students/undergraduate/requirements](http://ucalgary.ca/future-students/undergraduate/requirements)

Students from Quebec who have completed one year of CEGEP will be considered transfer students. For more information about admission requirements and transfer credit, visit: [ucalgary.ca/future-students/undergraduate/requirements](http://ucalgary.ca/future-students/undergraduate/requirements)

# admission information

## English language requirements

There are three ways to meet our English language entrance requirements: high school studies, the Academic Communication Certificate, and English language test scores.

## High School studies

To meet the English language requirements with a student's high school studies, they must have completed three years of study with English as the primary language of instruction at an accredited Canadian, American, or British curriculum high school or in a University of Calgary approved English-speaking country.

Learn more at: [ucalgary.ca/future-students/undergraduate/elp-exempt-countries](http://ucalgary.ca/future-students/undergraduate/elp-exempt-countries)

## Academic Communication Certificate (ACC)

The ACC is for English learners who want to enter a university program. If a student applies for undergraduate admission and completes the ACC through UCalgary Continuing Education by the end of summer term in the year of application, they could be considered for conditional admission to a degree program.

Learn more at: [esl.ucalgary.ca/programs/academic-communication-certificate](http://esl.ucalgary.ca/programs/academic-communication-certificate)

## English language test scores

If a student's high school education doesn't fulfil UCalgary's English language requirements, they can present one of the minimum scores listed in the table below.

**Note: Our school code for the TOEFL exam is 0813 and the department code is 00.**

## Dual credit students

Dual credit students applying for admission to a degree program will be considered high school applicants if they haven't completed more than 30 units (10 courses) at a post-secondary institution. They'll be considered transfer students if they have completed more than 30 units (10 courses).

## Diverse qualifications admission process

If a student has achieved excellence outside of their academics or has overcome significant hardships, they may seek admission under the diverse qualifications process. To be considered for admission under this process, they must be a Canadian citizen or permanent resident and demonstrate excellence in non-academic areas; or high potential in academic or research

activities; or perseverance under great difficulty or hardship.

Learn more at: [ucalgary.ca/future-students/undergraduate/diverse-qualifications](http://ucalgary.ca/future-students/undergraduate/diverse-qualifications)

## Indigenous students

If a student has self-identified as Indigenous on their application form, they'll automatically receive consideration first under the regular competitive admission process and then under the Indigenous admissions process, if needed. If they're granted admission under the Indigenous process, they'll be asked to submit documentation to verify their Indigenous ancestry before registering for classes.

Indigenous students who are missing requirements for their desired program, or would like additional support with transitioning to university, may be able to join the Indigenous Student Access Program (ISAP). Designed to help students prepare to enter a faculty-based program, ISAP consists of university classes, advising, cultural support, peer support and tutorials. This full-time program qualifies for student loans and other sources of funding.

## Student loans

Government student loans and grants are available to Canadian citizens and permanent residents. Students can apply through their home province of residence or visit [canlearn.ca](http://canlearn.ca) for details.

Albertans can apply online at: [studentaid.alberta.ca](http://studentaid.alberta.ca)

Students from the United States, visit [ucalgary.ca/registrar/finances/student-loans/us](http://ucalgary.ca/registrar/finances/student-loans/us) for funding options.

## Scholarships, bursaries and awards for entering students

By applying for admission, students are automatically considered for a number of entrance awards. They should then complete the

prestige high school awards application and the competitive high school awards application in their Student Centre ([my.ucalgary.ca](http://my.ucalgary.ca)) to be considered for all other awards.

*The University of Calgary acknowledges the traditional territories of the people of the Treaty 7 region in Southern Alberta, which includes the Blackfoot Confederacy (comprising the Siksika, Piikani, and Kainai First Nations), as well as the Tsuut'ina First Nation and the Stoney Nakoda (including the Chiniki, Bearspaw, and Wesley First Nations). The City of Calgary is also home to Métis Nation of Alberta, Region III. The University of Calgary is situated on land adjacent to where the Bow River meets the Elbow River, and the traditional Blackfoot name of this place is "Moh'kins'tsis," which we now call the City of Calgary.*
