Please type directly into the spaces on this table and **insert or delete lines as required** to complete your itinerary.

Pre departure activities

Date	Activity	Comments
April 2023	Orientation	A chance for students to meet each other and the professors and discuss expectations for the courses.
May 2023	Delivery of materials	Because the course is compressed, students will be encouraged to cover the readings before they arrive in London. They will also be encouraged to do some of the essay reactions to the readings beforehand as well (though they won't be turned in until after the relevant class in London).
May 2023	Orientation to Corporate Law	In connection with Law 693.06 a three hour class on the basics of the corporate form will be held in person and via Zoom (for those students not in Calgary)

If you depart Calgary and arrive in destination on the same calendar day, begin at Day 1

(Please remember to add or subtract rows to the table to match the number of days in your proposed itinerary)
