THROUGHOUT THE DAY

Tips for a successful fair

Make the most of the day with our suggestions:

- Get up and around your booth — students are more likely to approach when employers aren't hidden behind a table
- Even if you aren't hiring at the moment, prepare a list of possible student positions that may open up in the future
- Bring company swag or table items — students love freebies!
- **Get social with us!** We will be active on the day of the event, so tag @hireucalgary in your posts on Facebook, Twitter and Instagram.
