

UNIVERSITY OF
CALGARY

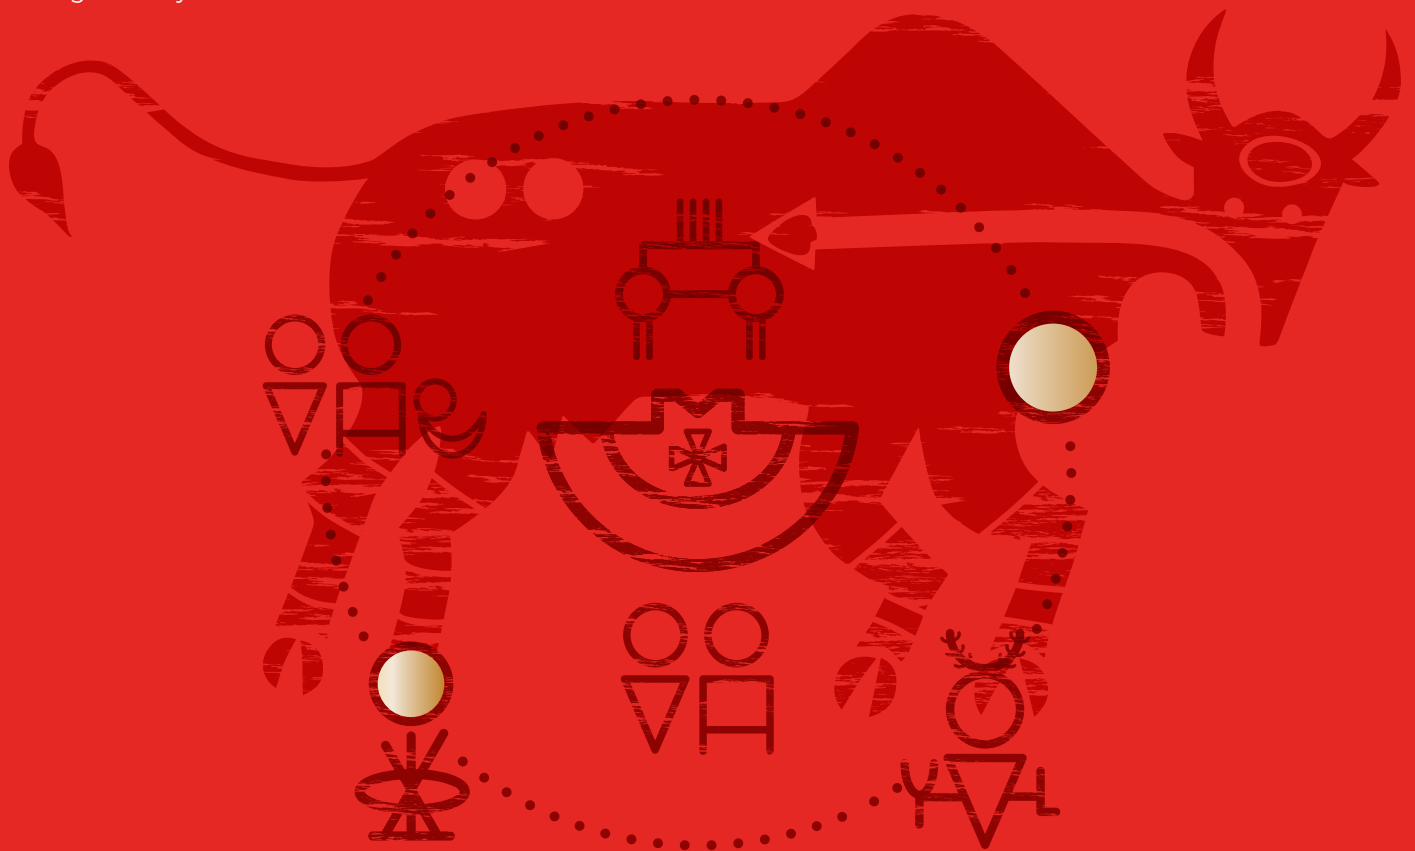

CONVOCAATION

FALL 2024

TRADITIONAL LAND ACKNOWLEDGEMENT

The University of Calgary, located in the heart of Southern Alberta, both acknowledges and pays tribute to the traditional territories of the peoples of Treaty 7, which include the Blackfoot Confederacy (comprised of the Siksika, the Piikani, and the Kainai First Nations), the Tsuut'ina First Nation, and the Stoney Nakoda (including Chiniki, Bearspaw, and Goodstoney First Nations). The City of Calgary is also home to the Métis Nation of Alberta (Districts 5 and 6).

The University of Calgary is situated on land Northwest of where the Bow River meets the Elbow River, a site traditionally known as Moh'kins'tsis to the Blackfoot, Wichîspa to the Stoney Nakoda, and Guts'ists'i to the Tsuut'ina. On this land and in this place we strive to learn together, walk together, and grow together "in a good way."

ii' taa'poh'to'p

The University of Calgary's Indigenous Strategy, *ii' taa'poh'to'p*, guides our parallel journey on our path towards transformative reconciliation. The cultural model for UCalgary's Indigenous Strategy, represented above, tells the story of the strategy from a unique symbolic perspective. The cultural model was designed and transferred to the Indigenous Strategy by Traditional Knowledge Keeper and ceremonial Elder, Reg Crowshoe. The Métis sash is a symbol of Métis culture, heritage, and identity.

WELCOME TO CONVOCATION

Thank you for joining us for today's ceremony as we come together to celebrate the achievements of the Class of 2024. This ceremony is a testament to dedication and hard work, and an occasion to share with supporters who have been a part of the journey. We are excited and honoured to share this momentous day with you!

Please ensure all electronic devices are in silent mode and that, as you record these special moments, you do so with respect for your fellow guests, the graduates and the ceremony proceedings. We also ask that you remain seated for the duration of the ceremony to ensure all graduates and their guests have the same experience.

We are committed to making convocation welcoming and accessible for everyone. Wheelchairs and noise-cancelling headphones will be available to sign out at the entrance of the Olympic Oval during convocation. Room KNB 130 in the Kinesiology Complex will be a designated quiet room for anyone needing a lower-sensory space. A livestream of the ceremony will be available in the quiet room to follow along with the ceremony. Closed captioning will also be provided on screens on the gymnasium floor. Our many volunteers and staff are happy to assist you.

You can share the link ucalgary.ca/convocation/live with anyone who could not attend but may want to watch a livestream of the event.

After the ceremony, you can meet your graduate on the upper level of the gymnasium. Make sure to visit the special Alumni photography booth located in the Kinesiology building.

Enjoy the celebration!

GREETINGS FROM THE PRESIDENT

Dear Graduates,

Convocation is your moment to shine, and I'm so proud to celebrate you during our fall 2024 ceremonies. The very first thing that you need to do right now is celebrate. Seeking knowledge is rewarding in and of itself, but seeing your achievement recognized by family, friends and supporters at Convocation is truly exhilarating.

All of our UCalgary graduates, without exception, have the skills to thrive and adapt in a fast-paced world. This growing network of over 220,000 UCalgary alumni consists of individuals with a wide breadth of expertise. They have used their talents to contribute to their communities and their countries, making them healthier, fairer, more prosperous and more sustainable. You will do so too.

You see, innovation is in our nature at the University of Calgary. Seeing where there is a need and where there is an opportunity has become second nature to our scholars. They are continually trying to do something that hasn't been done before, using entrepreneurial thinking. This is a mindset that is ingrained across all faculties at UCalgary, because every field needs agile, nimble thinkers. Your academic program has shaped you into someone who takes initiative, exchanges knowledge across disciplines and learns from experience. You are a UCalgary alum, and you will make a lasting impact on the world around us.

Our campus community is proud to support your success, and we are excited to see where you will go next.

Congratulations to the Class of 2024!

Edward McCauley, PhD, FRSC

Ceremonial Traditions

The University of Calgary Honour Song

The Honour Song was gifted to the University of Calgary by Stoney Nakoda Bearspaw First Nation Elder Rod Hunter in 2018 as part of the university's Indigenous Strategy, *ii' taa'poh'to'p*. The UCalgary Honour Song is in the traditional Stoney Nakoda style. Elder Hunter states that most of his songs come to him in his dreams. It is meant to highlight a spiritual connection to all of creation/Creator and bring honour, respect and tribute to a person, ceremony or an event.

You are invited to join in and sing along as the Honour Song is performed.

Coat of Arms

Granted to the university in 1966, the formal coat of arms incorporates the university colours of red and gold. Featured in the top section of the shield is the wild rose of Alberta, flanked by two books that signify learning. Separating the sections is an arch, symbolic of the Chinook arch. The crossed staves and black bull's head are reminiscent of the MacLeod family crest, in recognition of Lieutenant Colonel James F. MacLeod, who is credited with naming Calgary after Calgary Bay on the Isle of Mull in Western Scotland. Under the shield is the escrol bearing our Gaelic motto: *mo shùile togam suas*, which translates to 'I will lift up my eyes.'

Tartan

The University of Calgary's tartan design was created by James Odell, BEd'76, BFA'83 and was officially recognized by the Scottish Tartans Society in 2001.

Mace

Our mace is representative of the authority that rests with the Crown. At the university, the authority of the Crown for the granting of degrees is vested in the Chancellor. The mace bearer brandishes the mace to signify the arrival and departure of the Chancellor. The mace is placed in front of the Chancellor for the duration of the ceremony.

The University of Calgary mace was a gift from Chancellor Emerita Dr. Muriel Kovitz and Dr. David Kovitz, and was used for the first time at the November 1979 Convocation ceremony.

Mace Table

In 1991, a white oak table made by Calgary craftsman John Morel was given to the University of Calgary by Chancellor Emeritus Dr. James Palmer and Mrs. Barbara Palmer to hold our ceremonial mace.

Graduates' Pledge

The Distinguished Graduate will recite the pledge on behalf of the graduating class. Graduands are invited to read aloud and make the pledge together.

As a graduate of the University of Calgary, wherever my life may take me, I will use my knowledge, experience and skills to the best of my ability for the well-being of my communities and for the advancement of learning and the public good.

I will conduct myself with honesty and integrity, taking responsibility for my actions and respecting the rights, opinions and dignity of all peoples.

I will maintain my competency and keep abreast of developments in my chosen fields.

I will strive to better my communities through good citizenship and active participation.

I will be a loyal ambassador for my university and will seek to promote its welfare and maintain its reputation.

I will honour all who have shared their knowledge with me and will in my turn share my knowledge and experience with those who enter my field or come under my direction.

In all my dealings, I will endeavour to be known as a person of honour and repute, ever seeking to earn the peace of good conscience.

All Graduates

This is my pledge.

GRADUAND OR GRADUATE? WHAT IS THE DIFFERENCE?

Throughout this program, we use the words graduand and graduate. A graduand is someone who is about to graduate. A graduate is someone who has already done so. Today our students will begin the convocation ceremony as graduands and conclude it as graduates. We are so proud of them all!

Honouring Exceptional Individuals

Honorary Degrees

The honorary degree is the University of Calgary's highest academic honour and is bestowed upon individuals whose notable achievements and community service merit recognition. Honorary degree recipients provide inspiration and leadership to the graduating class, the university and the community.

The Order of the University of Calgary

The Order of the University of Calgary honours individuals who have made distinguished and exemplary contributions to the university above and beyond the requirements of their position. The award may be conferred upon any current or former member of the university community; students, faculty, staff, alumni and volunteers are all eligible.

Distinguished Graduate

Graduands are invited to take the Graduates' Pledge, stating their commitment as alumni to learning, community and representing the university. A distinguished graduate — a member of the University of Calgary family noted for their success in living up to our principles — leads the pledge and offers inspiration and congratulations to graduands.

Degrees Granted

Types of Degrees

The University of Calgary grants bachelor, master and doctoral degrees. A bachelor's degree is an undergraduate degree that typically takes four to five years to complete. A master's degree is a graduate level degree requiring advanced knowledge or training in a particular field of study. A doctoral degree is the highest level of study, where a student completes a dissertation under the supervision of a professor. The focus is on conducting original research in a specialized subject.

Undergraduate Degrees with Honours

Degrees with Honours are awarded in two classes — Honours, and First Class Honours — to students in the faculties of Arts, Haskayne School of Business, Kinesiology, Cumming School of Medicine, and Science. These degrees follow a concentrated course of study in a specialized field. First Class Honours is awarded to students who have obtained a distinctive grade point average as defined by their faculty.

Undergraduate Degrees with Distinction

At the discretion of a faculty, the notation "With Distinction" is inscribed on the permanent record and degree parchment of graduates (except those with an Honours or graduate degree) who have obtained a distinctive grade point average as defined by the faculty.

HONOURING OUR LANDSCAPE

The place where the Bow River converges with the Elbow River, adjacent to The Confluence Historic Site and Parkland, is known as Moh'kins'tsis to the Blackfoot, Wíchîspa to the Stoney Nakoda, and Guts'ists'i to the Tsuut'ina, and is now called the City of Calgary. In this land, we are all relatives.

Dean of the Cumming School of Medicine
 The Dean of the Cumming School of Medicine invites all candidates for to rise and recite the Hippocratic Oath:
"Now being admitted to the profession of medicine, I solemnly pledge to consecrate my life to the service of humanity. I will give respect and gratitude to my deserving teachers and in my turn I will teach and I will study. I will practice medicine with conscience and dignity. The health and life of my patient will be my first consideration. I will hold in confidence all that my patient confides in me. I will maintain the honor and the noble traditions of the medical profession. I will not permit consideration of race, religion, nationality, ideology, or social standing to intervene between my duty and my patient. I will maintain the utmost respect for human life. Even under threat, I will not use my knowledge contrary to the laws of humanity. These promises I make freely and upon my honor."

HONORARY DEGREE

Elder Kerrie Moore

Elder Kerrie Moore, MSW'04, is a respected Indigenous leader and advocate for reconciliation, known for her dedication to trauma education and holistic wellness. As a UCalgary alumna with a BSW and MSW, she plays a vital role as a sessional instructor and cultural advisor, fostering inclusivity within the university community. Her work emphasizes decolonizing curriculum and supporting Indigenous learners, faculty, and staff, with a focus on intergenerational trauma and culturally-informed approaches to wellness and relational science.

Elder Moore played a significant role with the Calgary Board of Education in creating an Indigenous life-long learning framework.

Originally from Treaty 6 territory in Saskatchewan, Elder Moore's wisdom and influence extend beyond UCalgary through her consultancy, Quest Endeavors, and her involvement in various advisory circles. Her numerous awards, including the University of Calgary Students' Union Teacher of Excellence Award, highlight her contributions to advancing Indigenous rights and cultural understanding within the community.

CEREMONY PHOTOGRAPHY

The Artona Group is present at every convocation ceremony to photograph each student twice during the ceremony — once as they stand on the stage, and once as they exit the stage. Photo previews and order information will be sent automatically to each student's mailing address. An email will also be sent with unique login information to view and order these images online. For more information, visit artonagroup.com.

THANK YOU

It takes many individuals working together to ensure the convocation ceremonies run smoothly for our graduates.

We would like to extend a special thank you to the numerous faculty, staff and volunteers who contribute to the success of the ceremonies. To the families of our graduates, we thank you for supporting your students and being their biggest champions throughout their time here at the university.

Should you have any comments or thoughts about today's ceremony, please send feedback to convolog@ucalgary.ca.

Thank you and enjoy this day of celebration.

An abstract graphic in the top right corner of the page, consisting of several thick, overlapping lines in a dark red color. The lines are arranged in a way that suggests a stylized, organic form, possibly resembling a plant or a cluster of branches. The lines are of varying lengths and orientations, creating a sense of movement and depth.
